TOMORROW'S ACHIEVERS TODAY

Thursday 23 March 2017 – Volume 11

## Quote of the Week

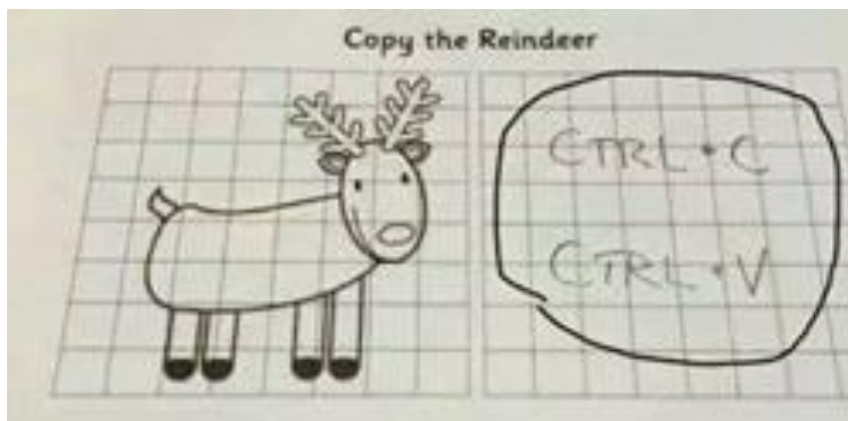

*"It is our light, not our darkness that most frightens us. We ask ourselves, 'Who am I to be brilliant, gorgeous, talented, fabulous?' Actually, who are you not to be? You are a child of God. Your playing small does not serve the world. There is nothing enlightened about shrinking so that other people won't feel insecure around you. We are all meant to shine, as children do. We were born to make manifest the glory of God that is within us. It's not just in some of us; it's in everyone. And as we let our own light shine, we unconsciously give other people permission to do the same. As we are liberated from our own fear, our presence automatically liberates others."*

~ Marianne Williamson,

## From the Headmaster

MR P L McAVOY

At this time of term, with assessments out of the way, there is a tendency to take short cuts.

I write this week to give guidance on how it may be possible to use (some) holiday time in a productive manner when April finally arrives. This first term, at twelve weeks, is the longest I can remember. The temptation therefore is to switch off completely from school when the term ends next Friday. A long term means a well-deserved holiday. The reality however is that the time available for academics in term two is shorter than is ideal – mainly due to Easter being late and the five-day weekend of 27 April-1 May. This means that from 2 May there will be less than three full timetable cycles until the mid-year exams begin. That seems awfully close when you look at it from that perspective.

I'm going to suggest that one, or perhaps even two days, somewhere early in the holidays, be used for term 2 preparation, with the following objectives in mind:

- 📌 **Declutter:** Your desk, your room, your clothes, your inbox, your social media feeds. Clarity = better use of time.
- 📌 **Plan:** Plan what a work week in term 2 will look like. You know what your extramural commitments will be. You know when parents evenings are, or when you will travel to Jeppe or Pretoria, or wherever else. Make it work!
- 📌 **Prioritise:** Rank your tasks (at home and at school) in terms of priority and align them with the pressures you face – from parents, friends and peers, and the pressures you put on yourself.

# From the Headmaster

- 🌀 Be effective: It's not a race. Don't try to be the most efficient, try to be the most effective. Perfectionism can be the enemy.
- 🌀 Focus: It is really important to focus on the "vital few" rather than the "vital many".
- 🌀 Finish the job: This is one the youth of today – never mind increasingly distracted adults – find particularly challenging. Develop your "finishing instinct" when you get to a task...complete it no matter what. Stop procrastinating: People tell me I procrastinate...and I've thought about it. But enough of that. Most people tend to tackle easy tasks first and push out the difficult ones – don't fall into this trap, irrespective of the subject or the section!
- 🌀 Stay organised: This is really what it is all about. Many people do not know what it means to be organised, or how to do it properly. There are different ways for different people to do that, but once you get organised, stay organised! The amount of time you will save during the course of term 2 if you have already set the framework for exam preparation is of huge value.

It an absolute pleasure to be at school last Saturday. Wherever you looked there was competitive sport, well-mannered and proud boys, supportive parents, and an excellent day was had by all. Many thanks to all who assisted on the day, including the large number of parent volunteers who helped out – you made a difference!

Our next full compulsory will be held on Saturday 20 May, when we host Parktown Boys from Johannesburg, and thereafter the highlight of our season on 3 June when Michaelhouse arrive for Old Boys Day.

The second term kicks off very quickly with a series of Parents' Evenings – see the dates elsewhere in this edition. These are the perfect opportunity to interact with staff and Grade Heads, and I encourage you to attend if you have any issues to discuss – we welcome the interaction. Also be aware that the annual trip to Johannesburg – Jeppe Boys this year – takes place on the first weekend back (21 & 22 April), and that all teams will be travelling.

Please be aware that school will close for the end of term at 10:30 on Friday 31 March. Reports for all grades will be handed out at that time.

## **NORTON ROSE FULBRIGHT SCHOLAR DAY**

**SATURDAY 13 MAY 2017**

Norton Rose Fulbright is a leading global law firm with South African offices who provide scholars with more information on a career in the legal field.

They will host a scholar day on Saturday, 13 May 2017, from 0845 to 13h00 to talk to young learners about a career in law.

The sessions will be facilitated by a combination of their directors, associates and candidate attorneys.

If you would like to attend please see Mr Rich for details.

# Presentation on Substance Abuse

Northwood will be hosting a presentation on Substance Abuse facilitated by Old Boys, Mark and Richard Strydom, in our school hall on 30 March at 6pm.

We strongly urge parents to attend this valuable and informative evening. Students are also welcome to attend with their parents.

Please RSVP to: [marketing@nwood.co.za](mailto:marketing@nwood.co.za) by 28 March.

# From the Director of Boarding

This weekend saw the first of our 'Grade 7 Sleep Over weekends' for 2017. The 45 young men slept in the boarding establishment; learned the war cries; ate boarding establishment food; enjoyed a coaching clinic; supported our school's sporting teams against Kearsney; watched the Sharks beat the Southern Kings and had a morning at the beach. A fully laden weekend packed with activities that our boys experience most weekends when they do not go home. It was wonderful to see the camaraderie of these youngsters from all over KwaZulu-Natal. I wish them well in choosing their high schools for 2018 and hope that this experience has guided you to become Squires and Knights.

To all parents, a reminder that the Boarding Establishment is closed over the Easter holiday for maintenance and touring groups. This means that no boys may stay in the BE over the holiday period. Thank you for your understanding in this regard.

# Maths Olympiad Results

The first round of the Olympiad was written on Wednesday 15 March 2017.

Congratulations to the learners who have progressed to the second round.

Outstanding results:

Juniors: Grade 8: Aran Jordan 80%  
Grade 9: Owami Ndlovu 95% ; Ishan Jewnarain 85% ; Yashil Sukram 85%

Seniors: Sachin Reddy 90%

Second round will be written on Wednesday 10 May 2017.

## KZN Youth Wind Band

The KZN Youth Wind Band, under the baton of Northwood's Russell Scott returned victorious with a Gold Award from the New York Wind Band Festival last week. The KZNYWB, featuring 2 Northwood learners – Julian Gaul and Mitchell Kruger, and two old boys – Chayce Tyne and Sphe Zungu – was unanimously awarded the top honour by 3 professional judges, well respected in the musical scene in New York.

Performing in the iconic Carnegie Hall, this was an amazing experience not to be forgotten by the young musicians from the KZNYWB.

The band's energy and enthusiasm shone through in every performance and especially in the rehearsal exchanges where the KZNYWB was able to showcase the warmth and joy of African Music and Culture.

Besides the performance obligations, the KZNYWB members also found the time to take in some of the sights in a very cold and snowy New York City.

# What is Earth Hour?

Earth Hour is a global call for the protection of the planet and for people to take a stand against climate change.

What began as a local event in Sydney, Australia, in 2007, has exploded into a worldwide symbolic event focused on switching off the lights for one hour and to take climate action.

2016 saw an unprecedented 178 countries and territories participating and over 400 landmarks being switched off.

Each year on the last Saturday in March, hundreds of thousands use their collective voice to inspire, motivate and lead the charge on their hopes, dreams and concerns about the planet.

On home soil, South Africans got switched on to the power of Earth Hour in 2009 ahead of climate change talks in Copenhagen, Denmark. This momentum led WWF South Africa to inspire many more South Africans to sign up and switch off.

Every year Earth Hour mobilises more support for the planet, exceeding expectations and inspiring change on various environmental concerns:

- Fighting deforestation in Uganda
- A 10-year freeze on a new oil project in the Arctic
- The creation of a national park in Malaysia
- A reduction in energy usage in Brunei Darussalam and stronger climate change laws in Scotland and Switzerland
- In South Africa, inspiring people and organisations to use their power and say yes to renewable energy.

**Switch your lights off for just 1 hour  
at 8:30 pm on Saturday, 25 March 2017**

## From the Head of Extramurals

Mr G. Le Roux [gleroux@nwood.co.za](mailto:gleroux@nwood.co.za)  
Deputy Headmaster – Extramurals

Thank you to all the boys who were present on Saturday for the Classic Clash Fixture against Kearsney. I think we would all agree that it was a great day overall. Our boys were well mannered and well presented with many compliments coming my way congratulating them and the school on the day itself. Well done and thank you for this.

A massive thank you to all the parents who were able to assist on the day. It was amazing to have so much support from our parent body. Events like this can only be successful with your help. Thank you again.

Learners who were unable to attend the compulsory and had emails or sent in letters beforehand are expected to “make-up” for their absence and support our teams this coming weekend when we play Westville. Learners will be expected to report to the grandstands at 12h30 and watch the 1<sup>st</sup> XV game and may leave at the conclusion of the match. Register will be taken at 12h30.

The first weekend back in Term 2, the 21 and 22 April, will see our hockey, rugby, squash, tennis and chess boys travel to Jeppe for our annual winter sports fixture. Please ensure payment of R450 (which includes food on the way up) is paid into the school account as soon as possible. The deadline for payment stipulated on the letter that went home last week was 24 March. If you have not returned your reply slip please click on the link below and submit it electronically. Please only submit once, either electronically through the link below or by using the reply slip attached to the letter.

<https://goo.gl/forms/BRxY9fOxU15zZdm53> . It is always a great experience for our boys.
