Thursday 2 November 2017 – Volume 37

Quote of the Week "There is no passion to be found playing small – in you are settling for a life less than the one capable of living." ~ William Ernest Henley

From the Headmaster

MR P L McAVOY

And that's it – the 2017 academic year comes to an end in the classroom. From tomorrow, things change.

- Summer uniform concession is in place until the end of the year.
- Normal hair and other regulations still apply! Boys arriving unkempt or incorrectly attired will be dealt with. This includes incorrect school bags.
- Note that the annual Sardine Run will take place directly after the exam session on Friday 24 November, and is COMPULSORY for all Grade 8-11 boys.
- The Homework Centre continues to operate in the exam block, Monday Thursday until 15:30 each day in Mrs Morton's classroom.

Not everything will be smoothly sailing for our boys over the next few weeks. Parents, please DO NOT simply accept an answer that all is ok, or fine, or that the paper was easy, or difficult! Encourage discussion and reflection. This serves two primary purposes:

Your son knows you care.

Either you, or he, or both, will be forced to form an opinion on what worked, what didn't and what approach to take for the rest of the exams.

As much as we need to focus on the present when writing exams, for the school as a whole, we continue to plan for the future. You can help!

Please take the time to respond to the Sport Survey by clicking on the link in Mr le Roux's piece this week. Only through feedback from you can we learn effectively – your voice counts.

Also this week, we include a list of sports tours for 2018. Even though

these are some way away, this list may help you with planning holidays and budgeting for costs – you will have some idea of which teams your son may make, and can plan based on the information given.

IMPORTANT INFORMATION

Northwood is a marking centre for the National Senior Certificate examinations this year. This means that NO BOYS or PARENTS will allowed on the Upper Campus from 29 November-18 December. Security access will be strictly controlled.

The Lower Campus will operate as normal, with the Medical Centre, Hockey Shop, Cricket Academy and Northwood Gear unaffected. Reports will be available for collection for all Grade 8-11s between 08:00 and 09:00 on Wednesday 6 December in the Lower Campus quad. Note that the only access to the school on this day will be through the Lower Campus entrance.

Matric Advanced Programme Mathematics

Since January last year, Northwood has been offering Advanced Programme Mathematics (AP Maths), as an internal subject. The National Senior Certificate (NSC) no longer offers an Advanced Maths course, and so the students register to write the one subject through the IEB. The three- year course is being offered from Grade 10 at Northwood. This year, a group of four students were our first Matrics to write the AP Maths examination. We sure hope all their hard work pays off!

Moms Who Pray

Sport & Culture

From the Head of Extramurals

MR G. LE ROUX <u>gleroux@nwood.co.za</u> Deputy Headmaster – Extramurals

Once again congratulations to our 1st Team Cricket with their win over Kearsney this past weekend. They have also progressed to the second round of the National T20 Tournament and got that started with a bang winning by 199 runs on Wednesday against Umzinto. Good luck with the remainder of the tournament.

This weekend brings a close to the sporting season with our last official fixture of the year. Thank you so much to all the learners who have maintained their commitment to the school throughout the year. Thank you to the parents that have been so supportive of your sons' additional commitments. It is always the easier option to not get up on a Saturday morning to drop your son off at school, and to not wake up early during the week to bring your son to early morning training sessions. But because of that commitment from those parents we continue to grow and improve our sporting culture at the school and for that we are extremely grateful. Northwood will not be where it is without the parents supporting their son's and our school.

If, as a parent, you have found yourself to be part of the small percentage where your son has not met his commitment to the school and you have not had the opportunity to get behind him and support him in some shape, manner or form, you don't know what you are missing. The camaraderie, great sportsmanship and friendships of the boys as well as becoming part of the ever growing support base from our parents. I challenge you to push your son in 2018 and get involved.

As part of our plans to continue to improve our sport at Northwood it is important to always reflect on what we have done well and what we have not done too well. In saying this I would like to ask all parents to fill in our annual Northwood Sport Survey. This feedback is critical for us to know where we need to improve and get better. Please click on the link below to fill in the survey. A separate survey would be needed for each sporting code, so once you have filled in the form once, please submit additional forms based on your sons involvement. Many thanks for your feedback in advance.
