## **Quote of the Week**

The first lesson we should teach in elementary school and then again in middle school, high school, college and graduate school is this:

“Nothing in the world can take the place of persistence.

Talent will not; nothing is more common than unsuccessful men with talent.

Genius will not; unrewarded genius is almost a proverb.

Education will not; The world is full of educated failures.

Persistence and determination alone are omnipotent.”

**~ Calvin Coolidge**

## **From the Acting Headmaster**

**MR M RICH**

We have a very exciting week ahead of us! Next week Tuesday all the grade 7 boys from our local primary schools spend the morning with us learning more about our wonderful school. Then on Thursday we invite prospective parents to join us from 17:30 onwards. There will be tours of our wonderful facilities, a chance to hear from current learners and engage with staff. We are looking forward to showcasing all that Northwood has to offer – committed and passionate staff dedicated to ensuring academics remain our primary focus, facilities that remain incomparably the best, specialist sports coaches offering high performance training throughout our 32 extra murals on offer.

We held our annual Academic Prize Giving this past Monday evening. Congratulations and well done to all prize winners. Well done to young Marius Oosthuizen from our Press Club who took some fantastic photographs. Please visit our facebook page to view all the photos.

RCL elections will take place early next week where the boys will elect a member of their class to represent them on the Representative Council of Learners. The RCL convenes regularly to address issues that the learners have and to find solutions together with members of staff. Two committee members of the RCL are also invited to attend Board of Governor meetings.

Please could I ask that parents do not under any circumstances drop their sons off in Burnside Place as there is a nursery school down the road from the Northwood gate and we feel that it is more important that parents drop off their toddlers than our grown up boys.

In another matter of procedure, I would ask that in the event of you needing to take your son out of school early, that you send him son with a note requesting same and that the learner take the note directly to the back office so that the necessary arrangements can be made. This will ensure that the procedure is expedited and you are not kept waiting.

## Ashleigh White Physiotherapy

Northwood Sports Medical Centre, Northwood School, Lower Campus,  
43-47 Mackeurtan Ave, Durban North, 4051  
Tel : 031 564 7675      Mobile : 071 607 0883

### Taking out school insurance

Firstly please let me introduce myself, my name is Ashleigh White and I am the  
physiotherapist based on the school property.

I am based in the Northwood Sports Medicine Centre which is situated in the Graham Langer  
Cricket Academy on the lower campus. I have been here for 2 and half years and in practice for  
almost 20 years.

Secondly as a parent of young active school children I would like to take this chance to encourage you to  
take out the Marsh School Insurance. This provides comprehensive medical coverage if your child gets hurt  
at school or playing sport for the school.

Once your child is signed up with Marsh Insurance, the procedure is that the parents pays the medical  
provider and are then will be directly reimbursed by Marsh Insurance. Please note that this is a policy and  
not a medical aid.

This insurance scheme for your child can prevent your personal medical aid depletion. The cost of this policy  
is marginal.

I have two young boys in primary school and take this policy out every year.

The link for payments and information can be found at:

The link for payment can be accessed through <http://payments.northwoodschool.co.za>

Please consider this policy for your active young man.

Ashleigh White

Northwood acknowledges the need for our Knights to stay connected to their Alma Mater. To this end, we are on a drive to create a positive and constructive environment whereby Old Boys are able to network in a business capacity, share fellowship and receive regular updates regarding activities and annual events. Consequently, we will be launching an integrated, on-line alumni management system that is customised for and focused on Old Boys' Associations and their requirements. Our endeavour is to create a greater sense of camaraderie and brotherhood between Knights – and will largely depend on the commitment and dedication of all scholars who were educated by our fine Establishment. We believe that in creating greater unity amongst its members, the Knights Association will continue to grow into a meaningful and effective body - able to expand and promote the Northwood profile and ensure the success of all its planned projects. Northwood would like to take this opportunity to thank Theresa Kennedy for her invaluable contribution in growing our Knights Association. In addition, we'd like to welcome Anthea Pollock on board to facilitate purposeful and profitable communications.

Calling all past scholars to joint venture with us in upholding the tone, soul, character and values of our School!

## WORKBOOKS

For parents that have not ordered the workbooks, please go onto the D6 communicator and place your orders through the portal.

## NEW PARENTS

Thank you to the families that joined us on Friday for the braai. It was a wonderful opportunity to meet and get to know everyone.

## LOCKERS

The grade 8 pupils have the use of a locker on the Lower Campus. They need to bring a lock with 2 keys to school, and their registration teacher will allocate them a locker.

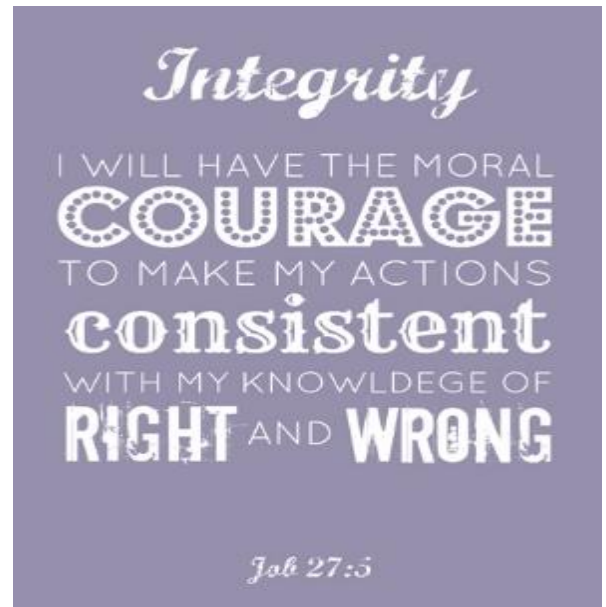

## CONTROL TESTS AND REINFORCEMENT LESSONS

Please note that if a learner is absent for a formal assessment, they need to bring a doctor's note the day they return. Without that, they will be unable to complete the assessment, which will have a negative effect on his end result.

Reinforcement lessons are compulsory for those that did not meet the result required. Learners who attend Mosque need to return to school for the lesson.

## From the Head of Extramurals

Mr G. Le Roux

Deputy Headmaster – Extramurals

[gleroux@nwood.co.za](mailto:gleroux@nwood.co.za)

Congratulations to our 1<sup>st</sup> Water Polo team who travelled to Grey College and had a very successful tournament. The boys played incredibly well and were victorious against St Albans, Stirling and St Peters with some very close results going down to tough opposition. Congratulations to our 1<sup>st</sup> team Cricket who beat DHS by 6 wickets yesterday in a T20 with two overs to spare. Against Hilton, two of our Northwood learners achieved a very rare feat of a hat-trick with Yasthiel Kemraj taking 3/6 and Matthew Willson and taking 4/11 leading both their teams to victory. Well done boys, this is an amazing achievement.

Well done to Kayden Cooke and Adam Chislett who took part in the KZN Nipper Lifesaving Championships this weekend. Both Kayden and Adam finished 2<sup>nd</sup> in the beach relay with Adam coming 1<sup>st</sup> in the beach sprint event and 3<sup>rd</sup> in the beach run. Good work boys.
