

Thought for the Week

"Beginnings are scary. Endings are usually sad, but it's what's in the middle that counts. So, when you find yourself at the beginning, just give hope a chance to float up. And it will."
~ Eleanor Roosevelt

From the Headmaster

MR P P VILJOEN

Dear Parents

A warm welcome back, especially to our new parents – I am most grateful to God that he has blessed us so abundantly throughout the holiday. All our boys, staff and parents have returned safely to school and through His grace, our class of 2018 has produced the best set of matric results for many years.

28 boys achieved A averages, with, Kiaav Sunderlall achieving an outstanding 8 A's.

7 A's were obtained by: Ashiv Baijnath, Adnan Bassa (Dux 2018), William Buckle, Emile Jonkers, Nicholas Deeb, Jason Kent, Riyadh Lakhi, Sayen Mirza, Marco Mudaly, Tarlin Nair, Hatham Omar, Keshav Pillay

6 A's were obtained by: Bhavin Bhoola, Adarsh Bodha, Cameron Ciaglia, Jordan Donnelly, Yasthiel Kemraj, Augustin Liu, Brendon Watling

5 A's were obtained by: Caleb Chinnu, Muhammad Hoosian, Tyren Kroos, Kivashen Naidu

4 A's were obtained by: Owain Maistry, Yogeshan Naidoo, Shirahn Singh

Overall, 20% of Northwood students achieved 3 or more A's, with 242 subject distinctions being achieved overall. This equates to an average of 1.5 distinctions per boy with 94% of students qualifying for tertiary study. Special mention goes to our top 3 achievers, Adnan Bassa placed 1st with an average of 94.6%, Marco Mudaly placed 2nd with a 93.3% average – both being invited by the MEC of Education to the ICC for the top achiever awards ceremony. Kiaav Sunderlall achieved an average of 91.6%, placing him 3rd overall.

Adnan eventually placed 6th in the KZN province and 2nd in the Umlazi District, while Marco placed 3rd in district – wonderful achievements by both of these boys.

In terms of the start of the academic year, I would like to welcome Mr Brinsley Powell (SACS) and Mr Eric Grimaldi (Penryn College) to our sports department, Mrs Morris to our mathematics department and our teachers in training Mr Proudfoot and Mr Kennedy to the Northwood team. Mr Rob Mutch also joins us as the school's business manager in the finance department.

We welcome all of these members of staff to the Northwood family and trust that they will enjoy their time with us.

From the Headmaster Continued...

2019 promises to be a full and exciting year, I want to encourage you as parents to be involved in your son's school. Northwood is a community school, it is your home and as such you are always welcome to come and share your thoughts, support or just pop in for a visit. Let us all make it our mission to do good, to speak positively, to pray often and endeavour to achieve excellence.

Summer Uniform

Learners may wear the summer uniform from Monday 14 January

Lost Property

We have a number of lost property items left after the Grade 8 Orientation. Either parents or their sons may collect lost property from the back office.

Becoming a Knight

The process of training for knighthood began before adolescence, inside the prospective knight's home, where he learned courtesy and manners. Around the age of 6 to 7 years, he would be sent away to train. For at least seven years a page was instructed in manners, courtesy, cleanliness, and religion. A page became a squire when he turned 14 (if he did well) being assigned or picked by a knight to become his personal aide. This allowed the squire to observe his master while he was in battle, in order to learn from his techniques. This was to uphold the knight's code - chivalry that promoted generosity, courtesy, compassion, and most importantly, loyalty. The knight acted as a tutor and taught the squire all he needed to know to become a knight. Some squires became knights for performing an outstanding deed on the battlefield, but most were knighted by their lord when their training was judged to be complete.

A squire could hope to become a knight when he was about 18 to 21 years old. Once the squire had established sufficient mastery of the required skills, he was dubbed a knight. The squire was made to vow that he would obey the regulations of chivalry, and never flee from battle. Knights followed the code of chivalry, which promoted honour, honesty, respect to God, and other knightly virtues.

Sport & Culture

From the Head of Extramurals

Mr G. Le Roux

Deputy Headmaster – Extramurals

gleroux@nwood.co.za

Welcome back to all our boys and parents. A special welcome to our new Grade 8 learners and those that have joined us in other grades across the school. You have made a very wise decision in sending your son to Northwood and I have no doubt your son will enjoy every minute of his time with us.

I reiterated to the new Grade 8 learners on Monday about the importance of sport and their involvement in the extra mural program of the school. Northwood is a school where there are so many opportunities for our boys to get involved that each learner can find their place. There are over 30 different options available to our boys throughout the course of the year. Although it is compulsory for our learners to be involved in one extra mural per term, we do encourage involvement in as many as possible provided there is still time to focus on academics. Our most successful students at Northwood are our most involved.

As parents I ask that you encourage your son to get involved where he can. Try new things, some of which may be outside of our comfort zone, but this is what helps us grow and develop as individuals.

Just a reminder of some of the expectations we have of our boys at Northwood:

- Ensure involvement in at least one extra mural per term, of which “pre-season” sport does not count.
- Practice kit will always be PE kit unless otherwise stated by the Master in Charge.
- Boys are to leave school at the conclusion of practice in either full school uniform or with their tracksuit top zipped up with closed shoes (tekkies).
- Boys are to arrive AND leave every fixture in full school uniform. This includes tie and blazer. Irrespective of the venue of the fixture, full school uniform always applies.
- Boys are to arrive at least a 45 minutes prior to any fixture.
- On the rare occasion of a learner not being available for a fixture, one weeks written notice is to be given to the Master in Charge of the sport.

All communication for Sport at Northwood is done through our sport website, www.northwoodschoolsport.com. Please ensure you create a link on your home screen of your smart devices for easy access to all things related to sport at Northwood. On this website you will find the practice days, times and venues as well as fixtures, team lists and results. The contact details for all our Masters in Charge are also available on the site under the “Sports Contacts” tab, as well as valuable resources under the “Resources” tab.

I wish all boys, staff and parents of Northwood a fantastic 2019!

TEACH HIM KINDLY, WORLD

By Abraham Lincoln

On the eve of Lincoln Jnr. going to school

World take this boy by the hand – he starts Grade 5 (Grade 8) today.

It's going to be strange and new for a while and I wish you would sort of treat him gently. You see, up to now, he's been king of the roost. He's been the boss of the back yard. We have always been around to repair his wounds and been handy to soothe his feelings.

But now, things are going to be different. This morning he's going to walk down the front steps, wave his hand and start on a great adventure that probably will include wars and tragedy and sorrow.

To live in this world will require faith and love and courage. So, World, I wish you would sort of take him by his young hand and teach him the things he will have to know.

Teach him – but gently, if you can.

He will have to learn, I know, that all people are not just – that all people are not true. Teach him that for every scoundrel there is a hero; that for every crooked politician there is a dedicated leader. Teach him that for every enemy there is a friend. Let him learn early that the bullies are the easiest people to lick.

Teach him the wonders of books. Give him the quiet time to ponder the eternal mystery of birds in the sky, bees in the sun and flowers on a green hill. Teach him that it is far more honourable to fail than to cheat. Teach him to have faith in his own ideas, even if everyone tells him they are wrong.

Try to give this boy the strength not to follow the crowd when everyone else is getting on the bandwagon. Teach him to listen to all people, but to filter all he hears on a screen of truth and to take only the good that comes through.

Teach him to sell his brawn and brain to the highest bidder but never to put a tag on his heart and soul. Teach him to close his ears on a howling mob – and to stand and fight if he thinks he's right.

Teach him gently, World, but don't coddle him, because only the test of fire makes fine steel.

This is a big order, World, but see what you can do. He's such a nice boy ...
