

### Thought for the Week

“Opportunity is missed by most people because it is dressed in overalls and looks like work.”  
~ Thomas Edison

## From the Headmaster

MR P P VILJOEN

Dear Parents

How unbelievably blessed was our school over the past weekend! It was thrilling to see how well all our teams played across the board in both hockey and rugby. To compete against such tough opponents and achieve the number of wins we did, is testimony to the hard work our boys and coaches have put in but also to the fantastic support we received from our parents and Old Boys on the day. Thank you to all those who made it such a special occasion.

Having celebrated our 1<sup>st</sup> XV win with the boys on the field, I took some time to reflect on what we, as a school stand for and how we measured up to those values on the day, since those aspects define our culture.

I found this – not one piece of paper, empty bottle, wrapper or piece of rubbish was left on the stand where the Northwood boys sat, not one yellow card was issued to any of our boys for any infringements on the day, never did I see any parent or any boy openly question or contest a decision. Our boys were neat, presentable and impeccable in their manner when interacting with their opponents, parents, teachers or other spectators. Our boys’ language was of the highest order and as always, we were humble in victory and gracious in defeat.

To me the results were wonderful, but the measure of what we are doing as a school is defined in the words written above. Well done men of Northwood, you made me proud.

To our teams travelling this week, good luck and enjoy the wonderful moments that sporting tours and festivals add to your school career.

May God also bless all our families, staff and boys with travelling mercies and joyful hearts during the Easter weekend.

You are all very dear to me, so please come back safely and well rested.

Thank you all for making Northwood a great place to be.

## Roll out of The Guardian Anonymous Reporting App

Dear Parents,

The Management team at our school have decided to implement The Guardian Anonymous Reporting App into the School. This app is a tool for learners to report on any issues challenging them or worrying secrets about friends (anything from Bullying to drugs and more).

These reports are received by predefined staff members at our school, who are responsible for the investigation of these reports. Management at the school will be responsible for selecting this team.

Unless the learner discloses their identity, is breaking the rules or is at risk their identity will never be known by the school.

Additionally, we will use the app to send information to all learners that may be pertinent.

The Learners will be notified of this app and how it all works in due course and will be required to download the app onto their phones, so that they can report and receive Push Notifications (The App is no more than 6MB in size).

During the rollout phase, we do ask that you, as parents, assist us by encouraging your child/children to download the app and register. Additionally, we would like to encourage you, as parents to download the app as well, so that you too can receive the notifications that we will be sending out, and if need be, report things anonymously.

The downloading of the app is extremely simple. Just download "**The Guardian App**" app from the I-Store or Play Store. Complete the registration page and you're done.

The registration process requires that each learner/parent enters their Name; Surname; Cell phone Number and choose their school. The Guardian retains this information in an exceptionally secure and encrypted environment. The Guardian will never disclose this information, unless the child's life is at risk or they are breaking the rules.

Statistically, more than 80% of learners feel more comfortable reporting on issues that are worrying them or affecting their friends, if their identity remains anonymous.

**Implementation of this app into schools means:**

1. Learners have a platform to report on any issues they may be scared to report on but will have the courage to do it anonymously.
2. The school can now receive information which we may never have received. Not only does this give us the ability to deal with these issues before they get out of hand, but also allows us to pro-actively put measures in place to prevent the same issue arising again.
3. The Push Notification Feature on the App not only allows for instant messaging through the app but also helps the learners to keep the app front of mind as a solution.

**If, for any reason, you do not want your child to be able to access this app, please email your child's name, and cell phone number to [admin@theguardian.co.za](mailto:admin@theguardian.co.za) , and the Guardian will block his/her number so that they cannot register on the app.**

If you have any other questions regarding the app, please do not hesitate to contact us or The Guardian directly on 031 001 01 01 between 08:00 and 16:30.

Yours Sincerely,

P. Viljoen  
Principal
