

Thought for the Week

“Never, never be afraid to do what’s right, especially if the well-being of a person or animal is at stake. Society’s punishments are small compared the wound we inflict on our soul when we look the other way.”
~ Martin Luther King

From the Headmaster
MR P P VILJOEN

Dear Parents

I have often spoken to the boys about the importance of choices, and the fact that you only really have two, the right one or the wrong one.

It is of course even more important in the society where the common practice seems to be doing the wrong thing. This increases the importance of the role of teachers, coaches and parents in educating our boys to do what is right, to always respect and to act with integrity.

This brings me to Saturday afternoon, not long after I started sulking about our first team loss to Hilton, a boy called me to the Jubilee Room and handed me a wallet he picked up around the field. A wallet with a significant amount of cash, cards licences and other important personal property intact.

After trying different avenues to contact the owner of the wallet, I eventually managed to get hold of him on Tuesday morning. He was absolutely flabbergasted that his wallet still had everything in it. He could not believe his good fortune and asked if he could reward the boy with some money? My answer was a simple no. When asked why, I simply said, “that is exactly what is expected of a Northwood boy”.

If we can teach our boys to do the right thing, they will be just fine in the world!

Ps- this is easily the 10th time a boy has handed in an item from which he could have benefited, but has handed it in to me or other staff members, and these are just the ones I know of. Well done to all for teaching our boys to do what is right.

Have a great weekend

The Department of Process Engineering (also referred to as Chemical Engineering) from Stellenbosch University will be hosting a presentation for all grade 12 learners and their parents, who are interested in pursuing a university degree in chemical engineering in 2020. Teachers who are interested in attending are welcome too.

Thursday, 9 May 2019

18:30 for 19:00

Kingfisher Conference Centre, Stellenbosch University

Two of our lecturers at the Department, will discuss the following topics, amongst others:

- What is chemical engineering about and what makes it awesome?
- What are the career opportunities after studying chemical engineering?
- Why should Stellenbosch University be your university of choice?
- What are the admission requirements to study chemical engineering at SU?

Attendees are encouraged to [RSVP](#) so that we can prepare sufficient catering and refreshments.

Sport & Culture

MR G. LE ROUX

Email: gleroux@nwood.co.za

Thank you to all the boys and parents who made their way to Northwood to support our boys and coaches on Saturday. There were some very encouraging and hard fought matches and, for sport, that is all we can ask for. At times, the result will go our way and at times, in the oppositions favour. We need to ensure we learn from these hard-fought encounters and make the necessary changes to improve match by match.

Well done to our volleyball teams over the weekend. Our boys played a number of matches and did exceptionally well in the majority of them. Our u14A, u16A and u16B teams won all six matches played on the day. We look forward to another good day of Volleyball on Saturday.

A reminder of the compulsories below. Boys are expected to be seated at 2pm this Saturday with the 1st Rugby match concluding around 16:30.

The compulsories attendance events this term for Grade 8-12 are as follows:

4 May- Northwood vs Westville

18 May- Northwood vs Michaelhouse

8 June- Northwood vs Kearsney College.

For all extra mural details with regards to fixtures, notices, practice times and transport arrangements please visit www.northwoodschooolsport.com. Remember to create a shortcut on your home screen of your mobile device for a very user friendly version of the site.
