

Thought for the Week

MR P P VILJOEN

Dear Parents

As you know, this year we host our 70th Jubilee celebrations and there are times where we require our boys to be in attendance. We really encourage the boys to get involved in the weekend's festivities as we celebrate this massive milestone in our history books.

Northwood traces its origins back to the founding of the co-educational Durban North High School on the site of the present Northlands Girls' High in September 1949. It started with 12 staff members and 215 pupils under Headmaster, Mr George J. Armstrong. By 1951, numbers had grown so rapidly that it a decision was made to build a second high school in Durban North, and split the existing school into a boys' school and a girls' school. On 30 September 1953, the boys marched out of the gates of the old campus to the present Northwood campus in Kensington Drive. Northlands Boys' High School opened with 338 boys and 17 staff members, under Mr Percy Hardaker (1953 – 1962) and thereafter Mr McFarquar (1963 – 1974). It made rapid progress in both academics and sport, and numbers continued to grow, requiring the building of yet another boys' high school in the area. The new Beachwood Boys' High School opened in Gleneagles Drive in 1963 with 135 boys and 7 staff members under Headmaster Mr E.T. (Ted) Lewis. Both schools continued to make fine progress as they rivalled each other for the enrolment of the best academics and sportsmen in Durban North.

During 1989 it was proposed that, for economic reasons, the two boys' schools in Durban North merge to form a single school. In 1990 Beachwood and Northlands merged to form Northwood.

Here is how we are celebrating our 70 years marking the schools' inception in 1949.

Friday 7 June 2019

DALE CARNEGIE "GENERATION NEXT" COURSE

The school seldom endorses courses offered by outside organisations, but in Term 3 this year, we will be offering the Dale Carnegie "Generation Next" course for our Grade 11 boys for the tenth year. This is testament to how successful this popular programme has been at Northwood.

It is essentially an EQ course with leadership skills embedded throughout. It is suitable for any student who is looking for a growth experience in terms of self-confidence, assertiveness and communication skills.

"Generation Next" is very interactive and a lot of fun. The course will run once a week of 8 consecutive weeks, with the option of attending on Tuesday evenings, Thursday evenings or Friday afternoons.

If you are interested in attending the course, please see Mr Rich.

MR G. LE ROUX

Email: gleroux@nwood.co.za

Thank you to all the parents and supporters who joined us this past weekend at St Benedict's. It was a very successful fixture and we can be proud once again not only of the results, but of the behaviour of our boys throughout the fixture. I know at time it can be a tough decision to send your son on these trips especially so close to exams, however to those boys who did travel we are extremely grateful for the time you gave up to fulfil the fixture in the manner in which you did. Thank you.

This weekend we play St Charles away from home. Again, we thank you for the time taken to fulfil this fixture. I encourage all our boys to make use of the two additional study days this Friday and next Monday to ease the time pressures at this time of year. With only two fixtures left of the winter sport season it would be great to end on a high.

Thank you to all the volleyball boys who completed their season this weekend with the Top 4 Tournament. Our u14A's made it through to the final but unfortunately lost, finishing 2nd in the league. Our 1st, u16A and U15A all finished 4th in the league. Well done boys.
