

Thought for the Week

“Growing apart doesn't change the fact that for a long time we grew side by side;
 our roots will always be tangled.
 I'm glad for that.”
 ~ Ally Condie

MR P P VILJOEN

Dear Parents

As we move towards the biggest Saturday of the year, I have an incredibly grateful heart. This morning we celebrated the completion of five infrastructure developments. All made possible through the grace of God and the tireless efforts of our parents, Old Boys, staff, partner schools and parents. The Northwood Shield Wall, the Unity Arch and Entrance Upgrade, the hockey viewing deck and senior boys' bathroom were all unveiled this morning.

In addition to these five upgrades Mr. Logan Stanley, Rene Stanley and the other members of the Stanley teaching family, were thanked for the combined teaching service of over 120 years by having the brand new first team water polo room, named in their honor. The Stanley room was designed, built and funded by our water polo parents. We are proud and grateful to the Stanley family and the parents for adding so much to our school, its history and its future.

As special word of thanks and congratulations also goes to the Beachwood and Northlands classes of 1989. All the wonderful additions to the front of the school have been made possible through their efforts and financial support. The Unity Arch represents all that Northwood stands for – a school with a long history, made up of different parts, that is developing into an institution of which men, both young and old can be a part and feel proud. We salute the men of '89 and thank you for the lasting difference you have made to the school.

We look forward to welcoming all our Old Boys back for their reunion and look forward to a weekend of reminiscences and camaraderie. For an undertaking as big as Old Boys Weekend to be successful everyone has to become involved, I would like to thank, in advance, all the staff, parents and boys who are working so tirelessly to make sure Old Boys Weekend runs smoothly.

We look forward to a wonderful weekend and thank you for making the school a special one.

ALE CARNEGIE “GENERATION NEXT” COURSE

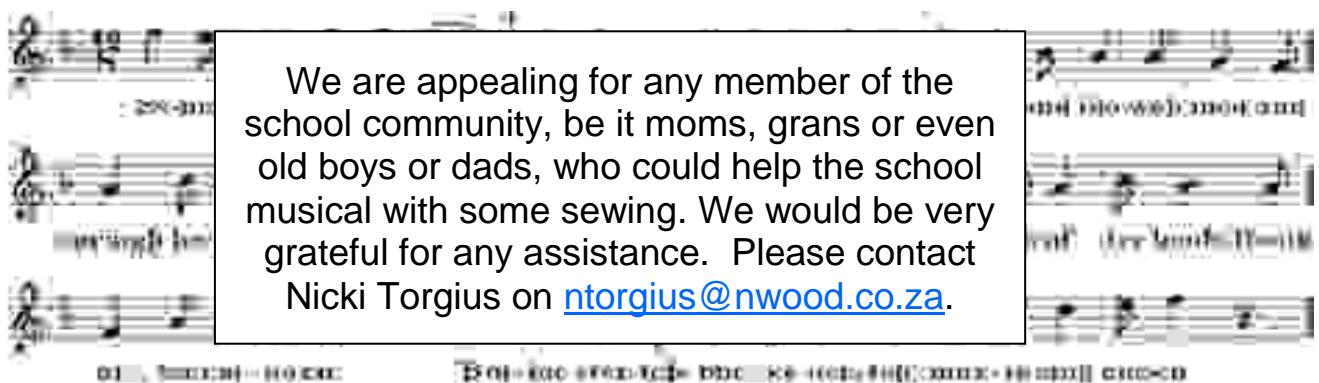

The school seldom endorses courses offered by outside organisations, but in Term 3 this year, we will be offering the Dale Carnegie “Generation Next” course for our Grade 11 boys for the tenth year. This is testament to how successful this popular programme has been at Northwood.

It is essentially an EQ course with leadership skills embedded throughout. It is suitable for any student who is looking for a growth experience in terms of self-confidence, assertiveness and communication skills.

“Generation Next” is very interactive and a lot of fun. The course will run once a week of 8 consecutive weeks, with the option of attending on Tuesday evenings, Thursday evenings or Friday afternoons.

If you are interested in attending the course, please see Mr Rich.

Northwood Musical

We are appealing for any member of the school community, be it moms, grans or even old boys or dads, who could help the school musical with some sewing. We would be very grateful for any assistance. Please contact Nicki Torgius on ntorgius@nwood.co.za.

MR G. LE ROUX

This weekend is arguably the biggest weekend on the Northwood calendar. The school is abuzz with excitement. We are really looking forward to what may possibly be the biggest and well-supported Old Boys Day in recent times. We have so much to be proud of as a school. It is on weekends like this that we are reminded of the unique history of our school, what we stand for and who we represent. Every Old Boy that walks onto the premises this weekend has similar memories to the ones our boys have as learners of Northwood. They walked the same corridors, sat in the same hall and played on the same field. Some even taught by the same teachers. Each with a unique story to tell about their experience here. Memories that they cherish. On Friday night at the Old Boys' dinner I have no doubt these memories will be shared over and over again. There will be many smiles and much laughter as they reminisce. Let Saturday be one of the days that stays with us forever. Let's fill the school to capacity and let our war cries be heard throughout the streets of Durban North.

OLD BOYS DAY IS HERE! THE KNIGHTS ARE COMING!!!
