Thursday 15 October 2020 — Volume 27

From the Headmaster's Desk

Dear Parents

As I write to you this week we are sitting down after our third day back at full capacity – besides being back full time in the classroom, our boys have also started with their extra mural programme and it has brought great joy to their faces.

School on a computer can never compare to what school is at its heart – a vessel built on relationships. It is wonderful to be back to something resembling normal! We are so grateful that God has guided us on this path during the course of this journey and ask that you continue to pray for the safekeeping of our boys, staff, and families.

I would like to offer a word of congratulations to all our newly elected prefects – it is important to lead by example, to serve others and to protect the values we hold dear to our hearts. As we celebrate, our hearts also go out to those young men who were not selected. They may not have the title of being a prefect but as Knights, they lead others every day. We are proud of all our grade 11's and know that they will continue to do well in 2021.

In terms of our current grade 12's they have their annual Speech Day on Wednesday 21 October- unfortunately only grade 12's, their parents, invited guests and the grade 11 boys will be able to attend. The rest of the boys will not have school on this day, unless they are asked to assist with duties.

Please also note that the end of year examination timetable and subject scopes have been uploaded to the D6 communicator. A letter in regards to the end of year arrangements, exam processes and other operational matters will be sent out towards the middle of next week.

Lastly, a reminder to the grade 12 parents that there is a compulsory LO workshop that runs from 9am to 11am on Friday in preparation for the final LO exam happening on Monday – your son must attend this workshop and, naturally, the exam on Monday – a brief on final examination arrangements will be sent to all our grade 12 parents tomorrow.

Have a blessed weekend.

Thought for the Week

'Nearly all men can stand adversity, but if you want to test a man's character, give him power.'

~Abraham Lincoln

It has been a few days now with all grades at school – sort of back to 'normal' if there is such a thing... Lessons are in full force and with Physical Education allowed, the boys are thrilled.

During the 1st PE lesson, I battled to get the attention of the class I was trying to teach! They were all staring down at the basketball courts and hockey astro, watching the activities with such envy!! It was as if it were a foreign sight.

SCOPES

Scopes for the year end testing will be posted on D6. It is advisable that the boys begin their study program as soon as possible to make the most of what is left of the year.
