Thursday 4 February 2021—Volume 2

From the Headmaster's Desk

Dear Parents

During the course of this week our teachers returned to school and our online program was launched. In addition to the above, our Squires began their Northwood journey with orientation and facility upgrades in the Boarding Establishment and at Lower Campus were completed. All in all, it was a busy space but successful week.

As previously mentioned, the Victor Daitz Centre for Innovation will give our boys access to the latest in cutting edge technology and creative learning platforms. I am pleased to report that all the work scopes and contracts have been signed off and as such, construction and refurbishment will begin on Monday. The library and surrounds will therefore not be accessible or operational during the next 10 weeks. I apologize in advance for the disruption, ultimately it will be so worth the wait.

Last week our social responsibility arm, The Hope Project, reached out to the children, staff and elderly of the Mount Royal Community. Through the support of the Spur Foundation, Apache River Spur at Riverside Sport, and Northwood boys and staff, we were able to provide 750 meals to the community. It was a truly blessed day with lots of grateful hearts and happy faces.

Next week, you can expect final communication on our boys' physical return to school – in anticipation of the return, please ensure boys manage their social interaction conservatively and safely and assist us in ensuring all uniform expectations are met. We will not entertain any excuses in terms of appearance on Day 1.

Lastly, a big THANK YOU, firstly to our garden moms Mrs Steele and Mrs Price and the moms who pray for the beautiful and thoughtful gift presented to the staff on Monday. We are certainly blessed to have these special people as part of our Northwood Family.

Secondly, to Mr. Beukes and his staff for the tireless efforts in preparing our facility for the safe return of our staff, boys, parents and visitors. We are very fortunate to have dedicated and hardworking people who give so much of themselves in the service of others.

Have a great weekend.

Quote of the Week

"Write it on your heart that every day is the best day in the year.

He is rich who owns the day, and no one owns the day who allows it be invaded with fret and anxiety.

Finish every day and be done with it.

You have done what you could.

Some blunders and absurdities, no doubt crept in. Forget them as soon as you can, tomorrow is a new day; begin it well and serenely, with too high a spirit to be cumbered with your old nonsense.

This new day is too dear, with its hopes and invitations, to waste a moment on the yesterdays."

~ Ralph Waldo Emerson
