From the Headmaster's Desk

Dear Parents

As mentioned in my letter yesterday, please allow me to thank you for all your support throughout this lengthy term. We continue to navigate the challenges that the Covid 19 pandemic brings. We are extremely grateful that the virus has had no impact on our operations during the first term. We are truly grateful for God's protection over our boys and staff and will continue to pray for the safekeeping of all.

During the first weekend of the holiday there are a number of activities taking place including numerous hockey festivals, a hike and of course a much anticipated return to the rugby field for our boys. These activities bring great joy to our boys and as such, we are truly excited for them to participate. A big thank you to the various staff members and coaches who are sacrificing their time to give these opportunities to the boys. We are certainly blessed with the best.

Please note that we are currently considering two significant changes in terms of our school's operations and offering. The first relates to the use of cell phones during the school day and the second to the content being delivered during the Life Orientation lessons in grade 8 and 9. Be on the lookout for communication in this regard within the next week or so.

Lastly, may we all heed to the words of Eleanor Brown during this period of rest: "Rest and self-care are so important. When you take time to replenish your spirit, it allows you to serve others from the overflow. You cannot serve from an empty vessel."

If you are travelling, please do so safely and enjoy the break.

Quote of the Week

"Rest when you are tired. Take a break when life stales. Take time to recharge your battery. Energy isn't something you have—it's something you are. To give and give and give, to put out without taking in, depletes your battery. It drains you. Runs you down,

~ Melody Beatie

If you're tired,
learn to rest not
quit.
