From the Headmaster's Desk

Dear Parents

I am happy to report that the term has started well and our boys have settled back into a much needed routine very comfortably. The Program of Assessment continues to run till the end of next week, with lessons continuing as per normal after the completion of their tests every day.

I want to thank our parents for their continued support in managing Covid related matters – the immediate and accurate communication allows us to manage the school's operations smoothly and safely, so thank you very much.

As per our annual calendar, this is the time of the year where the grade 9 boys have to start thinking about their subject choices in grade 10. To assist our grade 9 parents and boys in this process, the school will be inviting you and your son to our subject choice webinar on the 10th of August. This webinar will allow the School Management Team and I to talk you through the whole process of selecting subjects, the levels required to gain University Exemption, the minimum requirements for certain subject choices, and will also be able to answer any and all questions you or your son may have. Please keep an eye on the D6 Connect App for further details.

Please note that the tuckshop will remain closed next week, but will re-open on 10 August. An outdoor food stall, operated by Apache River Spur will, however, be operational next week as to allow the boys to purchase meals.

Revised directives around the resumption of sport and cultural activities are expected towards the latter part of next week. As soon as we receive these we will confirm the return to play protocols.

Have a blessed weekend.

Quote of Week

"When I was a boy and I would see scary things in the news, my mother would say to me "look for the helpers. You will always find people who are helping." To this day, especially in times of 'disaster,' I remember my mother's words and I am always comforted by realizing that there are still so many helpers - so many caring people in this world."

A NOTE TO PARENTS:

Welcome back to school for Term 3. Please take note that the adjusted testing programme has been circulated and begins on Thursday 29 July. Please ensure that your son has his hair cut, cleanly shaved and also just check that he is neatly dressed and following school rules. No adornments are allowed, even if hidden behind a buff.

Extra lessons, as shown on the POA, will resume from Monday 2 August.
